ST. OLAF LUTHERAN CHURCH, AUSTIN, MINN.—9

The new St. Olaf Lutheran Church was erected on the site of the former church which was damaged by a cyclone several years ago. This church has a large auditorium, and an unusual choir loft, large enough to accommodate the largest organization of singers. The basement dining room seats over 200 people.

Am spending a few days with my sister in Minnesota. Boy is it cold! We have several inches of snow.

We have been at Austin today doing our Christmas shopping.
